HINTS.

We appreciate hints, as should you. Remember we all a glance of our eyes can give at a time. Let the hints be honest they are equal to a Book of Details. As the Fall and Winter Goods come pouring in—goods for 50 different Departments—our eye is fastened on some one of two articles or materials in each department.

Among the Dress Goods

You will find 48-in. Drap d'Alma at 75c, which makes a very useful Dress. Also a full assortment of Tricots and Homespuns at 49c yd., which are all very desirable. There is also the Cheviot Suiting, which don't make a very costly dress. They are 42-in. wide, at 50c. There there is the 54-in. Imported Suiting, 50 inches wide, at 69c, for much for the Plain and Mixed Goods. Then there is the Costume Suits in endless variety from $6.50 to $18.50, some very handsome effects.

Among the Silks

You will find 20-in. 39c Gros Grain, 22c; 20-in. 50c Gros Grain, 35c; 20-in. Riadamas 50c, in all the most Fall shades; 20-in. Gold Gros Grain, 59c, all shades; 20-in. Faille Francaise, $1.00; 22-in. Figured Surah, in light blue and cream grounds, 69c—very cheap; Colored Satins, all shades, 39c, 50c, and 75c; full assortment of Gold Sutahs.

Among the Plushes

You will find a 20-in. Plush in all the bright, desirable shades at $1.25; 24-in. Plush and very heavy, at $1.69—no better sold at $2.50 elsewhere. We have a very beautiful Painted Plush, something entirely new, to combine with Silk or Satin, at $2.50 a yard.

Among Our Linens

We'll be found some Bleached Scotch Table Damask, 58 in. wide, very fine and handsome patterns, at 50c per yd. Extra Bleached 8-4 Scotch Linen Napkins, handsome patterns at $1.00 per doz.

Among Our Cloaks

We'll be found an elegant 30-in. Seal Plush Cloak, 48 in. long, extra quality satin lining, for cool evenings, at $18.00; would be a bargain at $20.00. Do not fail to examine this Cloak before purchasing elsewhere.

Also, A Lady's Double Stort Wrap, long boas, full fur trimmed, finished all around with one inch Tail Trimming, at $8.75, a decided bargain.

Among Our Boys' Clothing

You'll be found a splendid School Suit all sizes, at $3.50. Also an All-Wool Suit, all sizes, at $4.98.

The Same Effort on a Young Man with Weak Nerves of a Visit to the Gospel Gun—Being Shy Among Wolfs, the Fatal Right-Moving Instinct That Kept Him in Doubt His Whole Life—He Just Avoids Ending a Few Short Words.

I was in the Committee on a parade of self-cure associations in connection with the meeting of the Grand Army of America, which took the Department of Soldiers' property enough to fill the vast space of rolling stock and locomotive power that was required to move that parade, that is, considering the transportation of every object which pertained to comfort and security both to person or property, and besides that immense amount of minor affairs that brought to mind the various duties and responsibilities which were vested in a member of the Committee on Transportation. I had to do with the matter of the Gospel Gun.

The Committee over which I presided was one of the subordinate Committees, and being of the same nature as the Committee on Arrangements, the general duty of the latter was to confer with the Committee on Transportation, and to see that the various parts of the parade, which, considering the magnificence
